REFLECTIONS ON THE YEAR

FROM MS HADDEN, ELEMENTARY SCHOOL PRINCIPAL

Wow what a terrific year. I hope students that as you peruse the pages of this yearbook, you will reflect on your year and on the special memories that you have had with your teachers, your friends and the entire STS community. From the Terry Fox run last September to Quest Day in June you have brought your energy and your enthusiasm to all that you do. We embarked this year on a journey of personal growth seeking our individual personal best. We all learned about ourselves through our understanding of how our brains learn, how our diet affects our learning, and the importance of keeping healthy and keeping our lives balanced. I know that each of you have the capacity within you to pursue your dreams and impact the lives of others. You are all very special people.

I would like to thank each member of the elementary faculty for your dedication to your profession and our students. Your caring and concern for each of our students does not go unnoticed. Parents, thank you for your continued support and volunteerism. We appreciate the active role that you play in the education of your children. A very special thank you to the many people involved in this yearbook who have worked tirelessly to capture special memories for all of us.

FROM MR. JULIAN, MIDDLE SCHOOL PRINCIPAL

I have thoroughly enjoyed my first year at STS as the Middle School Principal and I appreciate the warm welcome that I have received this year. STS is a special place where newcomers are made to feel welcome in a vibrant school community. This is a community where there is great commitment from parents, teachers, and students to fulfill STS' mission of inspiring excellence in 'Scholarship, Leadership, and Character'. Events such as the Terry Fox Run, Dan Arato Day, Speech Day, and the Middle School Track and Field Meet have for me, highlighted our students' and faculty's commitment and enthusiasm. I appreciated the willingness of our students to help others through service initiatives such as the Bridgeland Manor visits and the Heaven Can Wait fundraiser. I have been impressed by our students as they have competed on our sports teams, performed in concerts, and produced wonderful works of art. I appreciate the Grade 9 class for their leadership in our assemblies, for volunteering to be student leaders on so many trips, and for being wonderful role models in the Middle School. To all students, thank you for a great year.

FROM MR. BOULIANNE, SENIOR SCHOOL PRINCIPAL

It has been another great year at STS! This is due in large part to the great student body we have and their participation in everything that we do. Just take a look at the number of students who participated in the following activities this year: 165 students involved in Athletics, 100 students involved in Roundsquare, service and school sponsored events, 95 students involved in Model UN and Speech and Debate, and another 70 students involved in band and the musical. When you think that our total student population in the senior high is 270, these are quite amazing numbers. A school can only be great and special by what you put into it. When we look back on our year, I would say that these words could be used to describe the senior high. A special thank you goes out to the teachers and the parents for making this all happen and for making STS a truly special place for our students.

FROM MR JONES, THE HEAD OF SCHOOL

This September, we will celebrate the 40th Anniversary of the amalgamation of Strathcona School for Boys and Tweedsmuir: An Academic School for Girls here on our beautiful country campus. Over the last 40 years, Strathcona-Tweedsmuir School has certainly evolved and during that time it has produced thousands of graduates who are making a positive and profound impact on the world. And while the School has changed over time, it has also preserved so many of the elements that have produced such fine graduates over the years including strong values, an emphasis on academics, well-roundedness, public speaking, service to others and co-curricular programs proven to develop strong character and leadership abilities. Many of these elements can be traced back to the roots of our founding schools, but they are clearly still present here today as evidenced by the scope of your involvement in so many activities this year.

I know that you have all learned a great deal this year through your classroom studies. And outside of the classroom there were terrific opportunities provided by things like the musicals *Footloose* and *A Kid's Life*. You showcased your talents and learning through events like the PYP Film Festival, band concerts and art shows, and tested your physical abilities in athletics, triathlons and outdoor education trips. Speech Days were amazing and we excelled at debating tournaments and Model UN's. You helped to meet the needs of others through service projects like the Dominican Republic trip and the Right to Sight Project. You showed your competitive spirit in athletics and won three provincial championships. Together this vast array of activities provided numerous opportunities to develop leadership and character and I have seen the evidence of these important attributes in your actions countless times throughout this year. I know that you have made your teachers proud on many occasions.

I would like to thank the Yearbook Committee who under the capable leadership of Ms. Johnson have captured many of this year's special moments in words and images. I hope that as you leaf through the pages that follow, they will evoke memories that you will cherish for a lifetime.

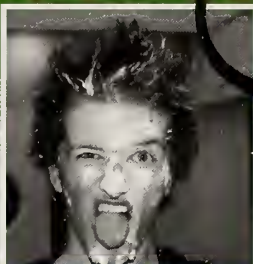

William Jones

FROM MS DORRANCE, ACADEMIC DIRECTOR

I would like to wish to congratulate all students on an exciting and active year at STS. Student engagement in all activities throughout the school year adds greatly to their experience and memories of the years that they spend in school. STS provides many opportunities for student to challenge themselves cognitively, physically, musically, dramatically as well as build a sense of social conscience that contributes to the whole experience. Well done!

THE ACADEMIC LEADERSHIP TEAM

The Prefects are a group of elected Grade 12 students who are role models for the student body, ambassadors of the school and organizers for all of the major school events. They are a group who embody the ideal virtues of an STS student: Scholarship, Leadership, and Character. Whether planning the Winter Formal or choosing a theme for the Terry Fox Run, the Prefects work around the clock, dedicating early mornings and late nights to make each and every event a special and memorable occasion.

DREAM BIG

To aspiring prefects: Have fun with it. After all the planning, become a part of the event. Then you also get to enjoy the success of what you have created.

- Emma Garforth-Bles

taking care of OUR BEAUTIFUL CAMPUS

Part of what makes our school so special is our unique and beautiful campus. With several buildings, playing fields, a ravine, a pond and an extensive trail system (just to name a few features!), our campus offers us many diverse activities to enjoy. Of course, it wouldn't be what it is without the maintenance team. This group of dedicated individuals is working hard behind the scenes to make sure that students can enjoy campus safely. They drive the snowplows to keep the roads and the parking lot clear, and ensure that our fields are pristine in the spring. The 2010-2011 STS maintenance team is led by Mr. Scott McLarty (right) and we applaud them for their commitment to STS.

GOODBYE *Ms Watson*

GRADE 4 TEACHER HEADING TO
WARMER CLIMES

Beloved Grade 4 teacher, Ms Clara Watson, retired in June 2011 after 13 years teaching at STS. Ms Watson grew up in Tucson, Arizona and moved to Canada with her husband Bob to settle near his family in Eastend, Saskatchewan in 1979. She began her teaching career that fall. In 1999 she started teaching at STS full time and immediately became a valued member of our community and a guiding force in the elementary family.

Over the years, Ms Watson made significant contributions to STS. She was a member of the laptop pilot group and the Primary Years Programme (PYP) steering committee in its inaugural years. As Division II curriculum leader, she provided leadership based on optimism, practicality and achievable goals for Grades 4 to 6 students. As a PYP Exhibition mentor, Ms Watson applied those same leadership skills to help students develop in this independent project. Outside of the curriculum-based aspects of her career, she served as teacher sponsor for the Elementary Environment Club, the Grade 4 Recycling Project, the Chess Club and the Grade 6 leadership groups. After 23 years of teaching, she is ready for a new adventure! STS wishes Ms Watson the very best of luck in the next stage of her life.

Ask the Teachers: What's Your Favorite Day of the Year?

Mr. Hall

"My favourite day of the year is November 11. I like that our students are in school instead of taking a day off, and take part in a true Remembrance Day celebration. This is an important day in the history of our country and I like that our students are able to remember together the importance of that day."

Mr. Mackenzie

My favorite day of the year is the last day of the year - because it's the last day of the year!"

Ms. Chow

"One of the highlights has to be the day for the Terry Fox Run. I love that our whole community is involved with students, staff, families, and even dogs completing either the 5 km or 10 km route. There is an amazing atmosphere and spirit with students dressed up and everyone supporting everyone else. I am certain that Terry Fox would be very pleased with how he and his vision are honoured at STS. "

Ms. Delanoy

"My favourite day of the year is graduation. I thoroughly enjoy seeing my grade 12's dressed up and celebrating all their accomplishments of their school career."

spirit

Raising our spirits in the middle of February, the prefects plan a week of activities to help us show off our school and house pride.

It's hard to feel spirited in February. Winter holidays are long since past and it will be at least another five weeks until Spring Break. The days are cold and by the time we leave school and climb onto the late bus to head home, it's already dark out. In fact, it's usually dark when we get to school too - we could go an entire month without seeing the sunshine! Thank goodness, then, for STS Spirit Week. From donning bright and crazy house-colour costumes to pie fights, from balloon stomps to high school dances, the week is filled with fun activities, projects and events that help us forget about the cold winter weather outside. This year, Round Square teamed up with the prefect team in order to set up events that helped to build school spirit and helped others in need. For example, over lunch time we worked together to build sandwiches for homeless Calgarians as part of the "Spread the Love" campaign. The middle school participated in Dan Arato Day, a full day, multi-grade team challenge, and the elementary got to "stomp" balloons! We look forward to another Spirit Week next February!

Heading For High School

Grade 9 Dinner Dance

After a week of rain, it was a gorgeous, but windy, day on Saturday, May 28th, for the Grade 9 dinner and dance. This year's event was held at the Canyon Meadows Golf and Country Club in Calgary, where students gathered to eat, dance and present speeches and slideshows that captured the best moments of their time in the Middle School. Almost all of their teachers joined them for the event. A special appearance was made by Grade 9 band 'Raj and the Rajtones', who played for the crowd and got everyone out on the dancefloor. Many of the dresses this year were soft skintones like champagne and pale pink. Most girls chose to wear their hair in soft, flowing waves. The boys looked sharp in suits and ties.

Thanks goes to Ms Haufort for her last year of organizing this great event - we'll miss you!

Great Friendships Were Made: Andy Tsuno, Avery Smed and Calvin Hau show off their fantastic fashion sense! Calvin rebels against school uniform rules with an untucked shirt.

It was a great three years in middle school: Grade 9 friends Shyla Bruvall, Karli Pischki, Brittany Currie and Maddie Milne (all '14) take time to pose for a photo, overlooking the Canyon Meadows Golf Course and Fish Creek Park.

Looking Out: Grade 9 boys Jacob Janisch, Ben Stark, Robbie Maclean, Calvin Tam, Maclean Clark, Khalid Dhalla and Connor Greene (all '14) take in the scenery before joining their friends for dinner.

From Top: Raj and the Rajtones play for their friends; teachers Mr. Clark, Ms Conway and Ms Haufort enjoy the evening; shoes are abandoned in favor of dancing by the second song.

YEAR LOOK LIKE

Prizegiving and year-end celebration ceremonies are some of the longest standing and most cherished traditions at STS. At the end of each school year, parents, teachers and students gather to celebrate student achievements, award outstanding efforts and say goodbye to the class of students that will be graduating to the next division.

In the Middle School, students are selected by their teachers to receive subject awards in their homerooms, as well as awards for the top three academic averages in each Grade. This year's top students were:

Grade 7	Grade 8	Grade 9
1st: Sarah Marie Cooper 2nd: Nikki Abbott 3rd: Liam Ostlund	1st: Teaghan Stack 2nd: Cole Pernitsky 3rd: Zahra Rawji	1st: Claudia Belanger 2nd: Elspeth Yates 3rd: Maria Golubev

Teaghan Stack '15, winner of the Dorothy Goldstein Memorial Award, given annually to the Middle School student with the highest average in math and science combined.

Jacob Janisch '14 accepts the Daniel Arato Award from Mrs. Arato, as the student who best exemplifies the spirit of Dan's memory.

Michaela Ostlund '14 accepts the STS Middle School Trophy, which is awarded for diligence over the course of Grades 7, 8 and 9. Michaela was nominated for this award by her teachers.

Maclean Clark '14 is proud to accept the Hewitt Award for Citizenship, presented by Mrs. Hewitt. Maclean has been an outstanding leader and citizen in the Middle School.

Elspeth Yates '14 takes home the top honours of the night, winning the Buchan Trophy, for all around excellence at the Middle School level.

Grade 12s celebrate graduation with their teachers and parents

*A*t the Sheraton hotel in Calgary, on Friday, June 3rd, the Strathcona-Tweedsmuir class of 2011 met to celebrate the end of high school and the beginning of the next stage in their life. Together with their parents, siblings and teachers, the graduates ate an incredible meal, shared stories and danced the night away. Emma Garforth-Bles and Brock Hadden (both '11) opened took to the podium as the Masters of Ceremony for the

evening and were both outstanding. Katie Henry '11 gave a touching toast to the parents, which was returned by her father, Mr. Henry, who gave a toast to the grads. Asia Brown and Kirstie Lush ('11) acted as the class historians, recounting the memorable moments from Grades 1-12. Bryce Albery toasted the teachers with compassion and Mr. Lederer spoke with humour and wisdom in his toast to to grads. The night was a great celebration for the end of a fantastic 12 years.

GEORGETOWN UNIVERSITY A GREAT EXPERIENCE FOR MODEL UN

In February of 2011, the STS Model UN Programme sent 38 delegates to Washington, D.C. for six days to participate in the 48th North American Invitational Model United Nations hosted by Georgetown University. This is one of the longest running and most prestigious Model UNs in the world and attracts over 3000 high school delegates to the conference every year. Highlights of the trip included our visits to the Smithsonian museums, the Washington Monument, the World War Two, Vietnam and Lincoln Memorials, the Georgetown University campus and an intimate night of great jazz at the Black Fox Lounge.

Our results at our first outing at this challenging simulation in international diplomacy were outstanding. The following students are to be commended for the recognition they received from their peers during the closing ceremonies:

Michael Molyneaux '13, Georgia Forbes '12, Bronwyn Valentine '12, Lucas Kemp '12, Tiandra Ceyhan '12, Emily McNeil '13 and Kate MacFarlane '13. Special acknowledgement goes to Madison Milne-Ives '13 and Sunny Yen '13 who earned Honourable Mention in the UNESCO committee.

STS TEAM SHINES AT STANFORD

On November 10, 2010, 40 STS students departed for STS' first attendance at the Stanford Model United Nations (UN) Conference. The opportunity to participate in a Model UN simulation at one of America's most renowned post-secondary institutions attracted the largest group of Spartans ever assembled for a Model UN. For 30 of these students, this was their first Model UN conference outside of STS and all were eager to dive into the world of simulated diplomacy. Their performance at this unique and challenging conference was exemplary and they laid a solid foundation as well as high expectations for next year's group.

The following students received acknowledgment by their committees:

Austin Miller '11 and Bronwyn Valentine '12, Summit of World Leaders 2015; Katie Henry '11, International Court of Justice; Mitchell Park '12, UN Economic and Social Council; Seth Carson '13, Chinese Politburo; Tamara Itani '11, 1974 Cyprus Crisis Cabinet; and Alistair Morton '13, 1974 Turkey Crisis Cabinet.

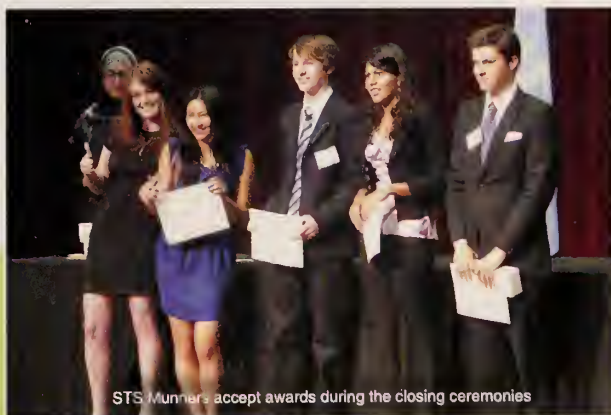

The following students were called to the stage and formally recognized for their exemplary and in-depth research as well as their skilfully crafted position papers: Bretton Chad '12, Iranian Cabinet; Riley Waterous '13, UN Development Programme; Robert Belanger '11, UN Economic and Social Council; and Lucy Luo '11, World Health Organization.

Those students recognized with Honourable Mention and a certificate were:

Erik Jorgenson '11 and Tegan Valentine '11, representing North Korea in the Summit of World Leaders 2015; Alykhan Bhanji '12, representing Guatemala in the International Monetary Fund; and Trevor Hunt '12, representing India in the UN Security Council.

Earning the designation of Outstanding Delegate in their committees were:

Michael Molyneaux '13 in the International Council of Museums and Darcy Foo '13 in the 1974 Turkey Crisis Cabinet.

Speech & Debate

It was a record season for the Speech and Debate programs, both in terms of the number of participants and the success that our students had in competition. Overall, it was a fantastic and rewarding year. Highlights of our season include Ali Poonja '12 being selected as an alternate for the Canadian Team to travel to Australia to compete in the World Public Speaking Championships. Ali also participated in the International Independent School Speech Tournament in Ontario, along with Elspeth Yates '14 and Maria Golubev '14. All three had a very successful trip. This year, we also had a record number of Middle and Senior school students compete at the regional speech tournament, which gave them to chance to qualify for provincials. The provincial tournament took place at Forest Lawn High School on February 26th. The STS team brought home 12 medals!

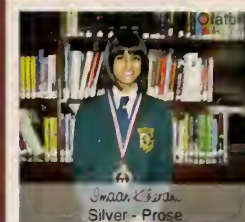

The Senior High debate team finished their season with strong showings in a number of tournaments. At the coveted Winston Churchill Debate in Calgary, Ariela Karmel '13 and Thomas Dunlop '13 won gold as a team, and Ariela was named the top speaker of the tournament. Ali Poonja '12 placed 4th overall. The Regional Competition was the last formal event for the club. The topic was, "This House would not release the identities of young offenders convicted with criminal offenses." The competition was quite intense with our team of Mitchell Park '12 and Zachary Carson '12 making it to the finals in which they debated the last impromptu topic in front of a large group of parents, coaches and volunteers. The topic was, "This house would ban the use of torture". They did extremely well and took the silver medal for the entire tournament.

1. Ibrahim Itani '13, Tamara Itani '11, Emma Fu '11, Brigitte Gilmour '13, Lucy Luo '11 and Muiwa Abolarin '11 compete in a speech tournament in Calgary. 2. Mr. Fink and Ms Delaney (coach) with Ariela Karmel '13 and Thomas Dunlop '13, who placed first in the prestigious Sir Winston Churchill Debate in Calgary. 3. Ali Poonja '12 and Mitchell Park '12 prepare for a world style debate (teams of 3) at a local competition. 4. Taking in all of the sights of our nation's capital. Elspeth Yates '14, Maria Golubev '14 and Ali Poonja '12 represent Strathcona-Tweedsmuir at a prestigious international public speaking competition for students from independent schools. 5. The Senior High debate team, consisting of Radha Bhagat '12, Ali Poonja '12, Mitchell Park '12, Zac Carson '12, Seth Carson '13, Ariela Karmel '13 and Steven McIntosh '13 and Ashleigh Corbeill '12.

6. The middle school speech team had a record turn out this year, thanks to the efforts of their dedicated coaches, Mr. Fink and Ms Haufort. 7. Emma Fu '11 and Muiyiwa Abolarin '11 were outstanding representatives of STS in Speech this year. They won the silver medal in the category of duet acting at the provincial tournament in Calgary. 8. Govind Paringod '12 (right) and another debater at the Winston Churchill tournament.

“ Wednesday marked one of the longest standing traditions at STS – Speech Day. Whether it was an eloquent interpretive reading, a persuasive speech, a unique act, or a spur-of-the-moment impromptu performance, Speech Day continues to be one of the highlight events of the year. The art and importance of public speaking is absolutely embedded in our very history and culture. Once again, we are thrilled at the collective level of talent and expertise showcased not only on Speech Day, but in the past number of weeks as every student at STS in the Middle and Senior School has performed for their classmates and teachers. We are always impressed with the level of commitment and enthusiasm our students exhibit. It is this quality which really distinguishes us as a School. ”

When Ren and his mother move from Chicago to a small farming town, Ren is prepared for the inevitable adjustment period at his new high school. What he isn't prepared for are the rigorous local laws, including a ban on dancing. The ban is the brainchild of the local preacher determined to exercise control over the town's youth that he cannot command in his own home. When the reverend's rebellious daughter sets her sights on Ren, her roughneck boyfriend, Chuck tries to sabotage Ren's reputation, with many of the locals eager to believe the worst about the new kid. To the rockin' rhythm of its top 40 score, STS' FOOTLOOSE celebrates the wisdom of listening to young people and guiding them with a warm heart and an open mind. The entire cast worked together as an ensemble and hit the stage, with a confident and moving performance that audiences loved. Each performance was celebrated with a standing ovation which was a tribute to all of their hard work.

The Band Played On

The STS band program has a long history of involvement and excellence. Students from Grades 7-12 specialize in an instrument and receive professional instruction from members of the community, as well as from the two band teachers, Mr. Uzick and Mrs Cooper. Band gives students great opportunities to take part in camps and trips, such as this year's Senior Band trip to Austria. This year, STS band students were extremely fortunate to spend a week working with STS alum and professional composer David Pierce, who recently composed the music for the opening ceremonies at the Vancouver Olympics. Working with accomplished musicians has proven to be very valuable for our students, who are frequently awarded with high commendations at Calgary festivals.

Students enjoy sights and sounds of Austria

by Lauren Payne '11 and Mackenzie Seasons '11

The STS Senior Band trip to Austria over the Spring Break marked the final band trip for Grade 12 students, and it most definitely lived up to our expectations. In Salzburg, we visited Mozart's birthplace, toured the old quarter of the city, went on a Sound of Music tour and played our first concert. On our way to Vienna, we stopped for a night's stay in a real 15th century castle where we enjoyed a private concert, amazing dinner and tour. In Vienna, we toured the Vienna Opera House, saw the graves of Beethoven, Brahms and other famous classical composers, and got to see Schonbrunn, the summer palace of the Habsburg family who ruled Austria for hundreds of years. We even saw the room where Mozart played one of his first concerts at the age of four.

We performed *How to Train Your Dragon*, *Salvation is Created*, *Fanfare for the Common Man*, *Toccata*, *Rondo* (from *Prelude, Siciliano and Rondo*), *Radetzky March* and *Silent Stands the Elm* in the chapel at Schonbrunn, Krems Music School and a beautiful cathedral in the heart of Vienna that was so big the echo after each note we played seemed to go on forever. We visited the cemetery where Mozart was buried and heard a beautiful Mozart and Strauss concert with ballet dancers, opera singers and a chamber orchestra. We even got a chance to see *Madame Butterfly* at the Vienna Opera House.

The experiences, memories and beautiful sights and sounds of Austria will stay with us long after we graduate.

STS STUDENT SENDS ART TO THAILAND

Emily Johnson '11 was commissioned to create a piece of art work to send to the International Round Square conference in Thailand, which was attended by a group of STS delegates. The theme of the conference was "We Walk Together"; Emily's work, entitled "Canadian Together", depicts regional imagery, including the Calgary tower and the local foothills and mountains, which are painted in the style of Lauren Harris, a member of the Group of Seven. Emily's work is a tribute to Terry Fox, and suggests the unity of the Canadian community through the use of maple leaf as a metaphor for Canadians running. The autumnal colours of red and yellow refer to the time of the year when the Terry Fox Run takes place.

HIGH SCHOOL ARTISTS CELEBRATE A YEAR OF CREATIVITY

The art department had another fabulous year of creativity! Starting off in the fall with the Art 30 wearable art pieces, the school was instantly amazed with the calibre of work from the students. The fall art show was a great success, equally matched with it's counterpart in the spring! Some highlights from the year include the Art 30 trip to Vancouver for their wearable art fashion show, the Art 20 trip to ACAD, and the fabulous fashion show for the Art 10 Fascinator project!

"If only i didn't let my head hang down,/and stared far below the ground./ It was a beautiful day, but I couldn't see it/And my voice was never found.

I look at myself but with a curious thought,/I wonder who stands before me./A stranger with lifeless eyes so untold,/in the darkness she starts to flee

I stumble upon a moment/fearing to let out something astray./But I think of reaching the end of my life/and regretting the things i never did say."

Luke Macios
"The First Fight For Humanity"

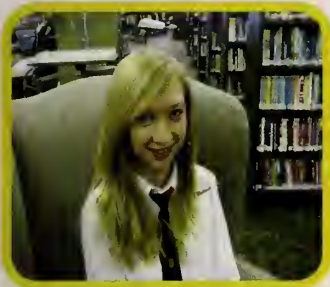

"Some will stand to fight the dread,/Others consumed by hate's persuasive speech/The destruction flows through our veins/Making us helpless, making us vain.

Chaos swallows the world; he salivates as he destroys the good/Malice makes us his minions, brainless servants we become,/ Destruction then wields its army, the world about to fall/The end is near; the world gives in to Mr. Fear.

One ray of hope humanity could grasp,/Evil has spread...the good just a needle in a haystack./One man steps up against the evil/Chances of success slim, but a chance he feels like taking.

Not always was the world so grim,/Days of the past, engulf him./A chance to make the world better,/Failure is apocalypse."

"The silence is the worst part. The sheer, cold silence that cuts through you like a thousand knives, a crushing weight, my fragile frame and flesh no match for her. No match for her strength, her power, her silence. I wish I was strong, I wish I could tell her what really happened. But I am weak. Weak, and fragile, and quiet. I was not the popular one, she was. And I was her puppet, to be at her beck and call and follow her around. I am no longer her puppet. But I am weak, and it is my weakness that brought this about, not my strength. Of course, I would be his next victim, the perfect target, I was no stranger to him, I was always where she was and she was always where he was."

Casey Thorbjørnsen
"How to be a Knight"

"Elaina also finally got a look at the thing whose roars had sent chills down her spine and fear piercing through her heart. It was a creature she had only ever heard about in myths and legends.

A creature she had done extensive reading on when studying the Old Tongue of Kasai. A creature she had described to her when the Knights informed her and her mother about her father's demise.

Ivory talons and teeth that could rip a person to shreds in mere seconds, emerald green scales that repelled even the strongest sword, powerful limbs and a tail that could knock over stone walls like they were mud, huge wings that could climb to the highest mountain in the land, bright eyes that saw into your very soul and a roar that made even the most brutal and bloodthirsty warriors quake in fear. Only one word came to mind when naming the beast in front of her. Dragon."

Cambodian Service Projects

The theme of the 2010 Round Square Conference at the Regents School in Pattaya, Thailand was “We Walk Together”. This theme was brought to life through interactive and meaningful events and activities held at the conference as well by the key note speakers. This main theme was divided into 40 subthemes which included ‘We Inspire Together’, ‘We Express Together’ and ‘We Learn Together’. The delegates attending the conference (Ibrahim Itani '13, Georgia Forbes '12, Michelle McKay '12, Hannah Medwid '13, Isaac Niles '13 and Ashleigh Corbiel '12) were clearly able to see the message that as a global community, we need to move forward together towards a better future and that it will not happen unless “We Walk Together”. we WALK together

2010 Round Square trip to Thailand and Cambodia

[Reflection] by Michelle McKay

Walking through the streets of Bangkok, having dinner, shopping at small street shops, socializing with the locals, playing games that kill time on long bus rides, people-watching on long and Tuk Tuk rides are only a few of the things we did for aimless joy, and as a way to immerse ourselves in the culture. Although these activities seem small and insignificant, on a large scale trip such as this one, they have truly added to the traveling experience. They also can provide great joy, as I have learned that aimless joy is truly a pure joy.

ROUND SQUARE DOMINICAN
REPUBLIC SERVICE TRIP

A group of high school students traveled to the Dominican Republic over Spring break 2011. We worked with locals to refurbish an elementary school, build a new kindergarten classroom, paint a local church & set up a free medical clinic. We had a great time playing with the elementary kids when we took breaks from working. Everyone greatly appreciated it, and it showed when the whole community came to the opening ceremonies to celebrate with us on our last day. We miss the friends we made, and the trip greatly impacted all of our lives in one way or another.

ELLIE GILCHRIST '16 REFLECTS ON THE MIDDLE SCHOOL CONFERENCE AND SERVICE TRIP

On Sunday, February 13, 2011, four Middle School students left for Montreal to learn about homelessness and help people in the streets through the Lower Canada College's Share the Warmth conference. We learned about the severity of homelessness. Did you know that up to 300,000 people live on the streets and that a third of them are between the ages of 12 and 25? Ainsley MacDougall '15, Taylor Poscente '16, Jett Palframan '16, and I built many new relations with students our age from around the world including Peru, Singapore, Australia and Denmark. A very strong message that all speakers talked about was that those without homes need love and kindness as much as anyone. They don't necessarily want money; they just want a smile, a wave or a few simple words of acknowledgment to reassure them that others believe in their humanity. We need to give every single child, man and woman the chance to change.

LIVING Language

GRADE 8 LANGUAGE TRIPS

STS students are fortunate enough to get to travel to many different locations throughout their time at the School, including the Grade 8 language trips that go to locales where Spanish and French are spoken. This year, the Spanish students went to Havana, Cuba, where they visited various cultural sites, learned different Cuban dance styles, and had the opportunity to visit a school and meet 6th grade students from Havana. In Quebec city, French students stayed at the Château Frontenac, explored the historic lower town and the ice palace, visited a Cabane à Sucre, went snow-shoeing, and did many other exciting cultural activities. After the trip, students raved about the experience; not only did they get to practise their language skills, they made new friends, learned to be more independent and to appreciate other cultures and the value of travel.

Terry Fox Run

In fall 2010, STS made an outstanding contribution to the Terry Fox Foundation, raising close to \$29,000. Added to our 24 previous years, our 25 year total is more \$494,000 for Cancer research. There is no doubt that next year, with all the support from family and friends, that STS will pass the half million mark. This coming year is sure to be extra special - besides passing the ½ million dollar mark, we are also celebrating our 40th year of STS on this country campus, and all alumni are invited to come and participate in the Terry Fox Run. Strathcona Tweedsmuir School is one of the top fundraising schools in Alberta! STS is a community built solidly on tradition and history and the Terry Fox Run is a fantastic example of this. this year, the entire school community dressed up in their house colours for the futuristic theme. Although the temperature was very cold for early September, students managed to stay warm and keep a positive attitude throughout the entire day! Every person who started the race finished either a 5K or 10K run.

"In 1980, Terry Fox faced considerable challenges while running the equivalent of a marathon a day for 143 days during his 3,339 mile Marathon of Hope. It was all about effort for Terry. He challenged himself every day with one goal in mind: raise the most money he could to end cancer." -Terry Fox Foundation

Countries Amazing Weeks

Beginning on August 11th 2010, Twenty-Two STS Students and Three STS Teachers Gave up Thirteen Days of Their Summer Vacation to Walk Through Their History Lessons.

On August 11, Ms. Delanoy, Mr. Boulianne, Mr. Schneider and twenty-two STS students departed for Paris to begin a 13-day European History Tour which would cover over 2000 kilometers as the group traveled through northern France, the Flanders region of Belgium and then on to Munich in southern Bavaria. The trip was two years in the making and represented a concerted effort with the Social Studies department to give the students the opportunity to learn beyond the four walls of their classroom and walk through their History lessons. To this end, the trip focused on the birth of nationalism, the growth of nationalism and the consequences of ultranationalism.

Paris was devoted to The Enlightenment, the French Revolution, the Napoleonic Wars, and of course, sightseeing. Ypres was dedicated to the consequences of World War I, with visits to the Menin Gate, the Somme, Vimy Ridge and Passchendaele as well as side stops at Dieppe and Juno Beach. The last leg of the trip took the group to Munich where the focus was on World War II and the consequences of ultranationalism where there was a walking tour of Munich to important sites of Hitler and the Nazis, a trip to the Dachau Concentration Camp and the SS Firing Range. The heavy hearts that were created after these experiences were lifted slightly when the final day of the trip consisted of a trip to Hitler's sanctuary The Eagle's Nest up an alp with a fantastic view in beautiful Bavarian countryside.

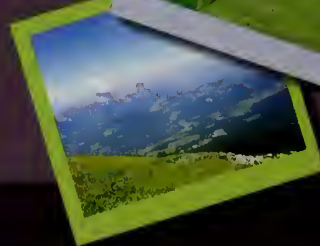

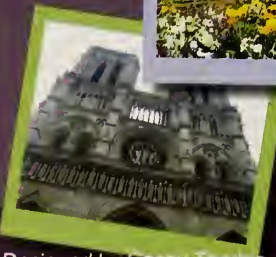

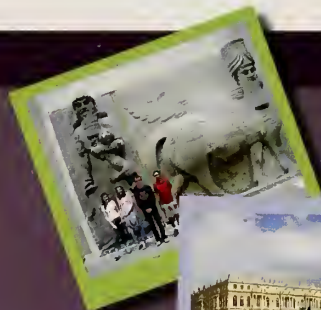

This trip could not have been possible without the help of students, parents, teachers, the Social Studies Department and of course the guides, Steven Coats and Stephen Whitehorn. Thank You so much!

Summer in Spain

Senior High Student Embrace the Heat and Sharpen their Spanish

School wasn't quite out for the summer, as 15 Senior High students spent 10 days in Spain at the beginning of July 2010, traveling, practicing their Spanish and visiting many of the country's most beautiful historic sites. The trip began in **Madrid**, where the students took Spanish lessons and went to see some of the world's best Flamenco dancers. The second stop was **Toledo**, which was definitely everyone's favourite location. It was stunningly beautiful, and included a visit to an authentic medieval town. Next was **Sevilla**, where the teachers

and students made friends with hundreds of birds at the local park. The group then moved to **Grenada**, which every one agreed had both incredible architecture and natural landscapes. Finally, they finished in **Malaga**, the birthplace of Picasso. The highlight of the trip was being in Spain for the World Cup soccer tournament. The students didn't attend any games, but they were amazed but the energy and team spirit in the country, and no one will forget the dancing in the streets when Spain won the cup!

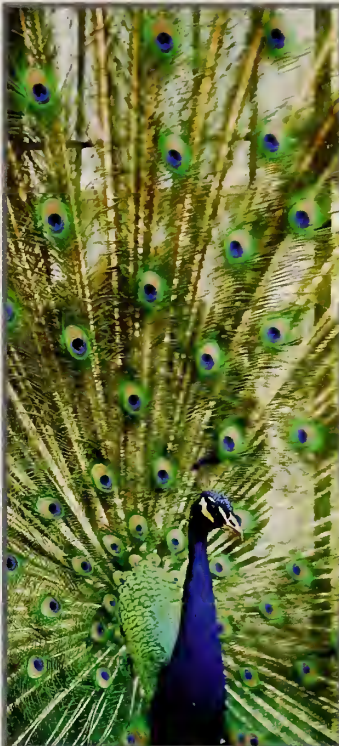

Gone to the Birds Mr Thomson makes a connection with the local birds, who were very friendly

Pigeons of this colour don't live anywhere else in Spain. They were a gift from the Philippines in 1929 in honour of the fair, and their descendants have lived in the park ever since. They love bird seed, and aren't shy at all!

Grade 7s Set Fresh Tracks

4 Day Ski Trip

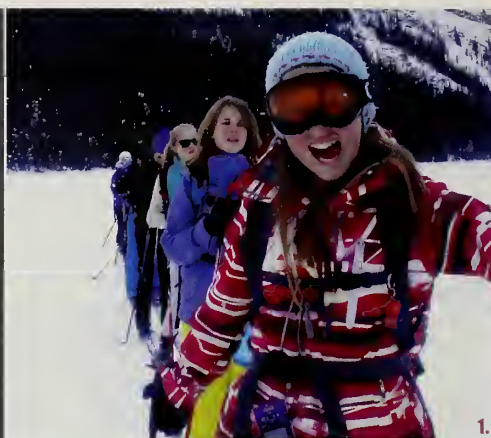

January 2011

1. Onna Janisch '16, Sophie Haines '16 and the rest of 7C get to ski directly across Lake Louise.

2. After several weeks of snow, the hut at Lake O'Hara is almost buried. Rosalind Jackson-Roe and Christina Sullivan (both '16) help with the chores.

3. Everyone knows that the best part of Ski Week is the ski out from the Hut! Rebecca Clark '16 shows great form while navigating a downhill slope.

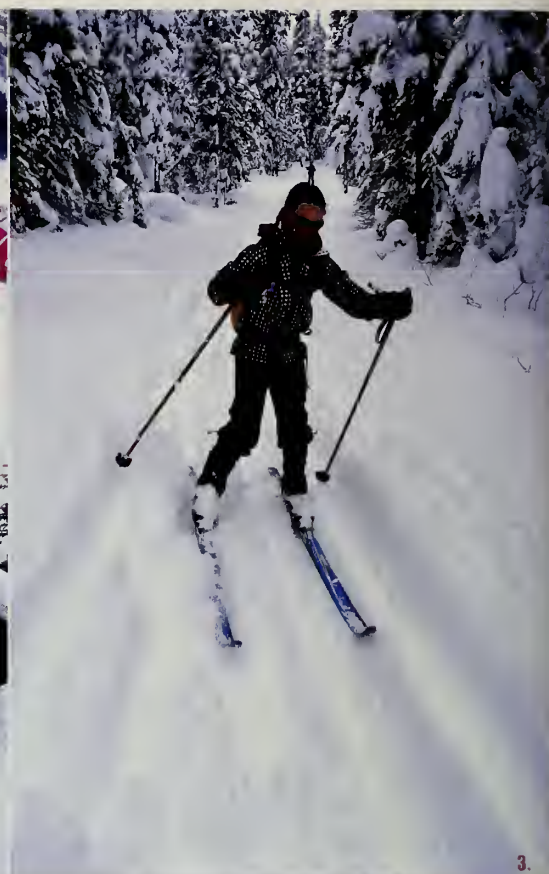

4. 7A stops the uphill travelling to pose for a class picture. Austin Oginski, Justin Yen, Mara Bishop and Nirav Bhagat (all '16) lead the way.

1. Leigh McNeil-Taboika '15 and Lizzie Tamas '15 show off their fabulous safety gear.

2. Sophie Blakeley '15 and Katie Deller '15 work together to guide their canoe over the water.

3. Fahreen Budwani '15 tests the weight of her day pack while Cole Verburg '15 moves to higher land after an day on the water.

4. Shiv Ruparell '15 and his boating partner Myles Chase '15 lead the way as the 8A class moves through an icy portion of the lake.

5. Ly-Anh Reid '15, Juliana Smith '15, Myles Chase '15 and Austin Weyant '15 brave the wet weather on day 1. By the second day of the trip, the rain stopped and everyone got a chance to dry out.

MIDDLE AND SENIOR ATHLETICS

Year after year, the athletics program at STS sets the bar higher. Despite our small size, we take on competition at the division, zone and provincial level, and show that *we can compete with Alberta's best athletes* in every sport. Our coaches demand dedication, sportsmanship and skill development from us; they guide us to championships and motivate us through difficult losses. *We learn from our mistakes* and work hard to improve. We are at the school for practice before the sun is up in the morning and will stay long after it has set. We are supporters. We are part of *something larger than ourselves*. We are determined to do our best. We are STS Athletes.

Crossing The Line

Sacramento Marathon

Race morning was an early one for the first leg runners who caught a 5 AM shuttle bus to the start of the race. The other runners followed shortly thereafter, groggy but excited about the race ahead. Students waited anxiously at designated relay exchange areas for their teammates to arrive and watched in awe as the lead runners raced by en route to their 2:12 finish times. Runners made their way through their race legs, running between 9.3 and 12.2 km, and we came back together as a team at the finish line.

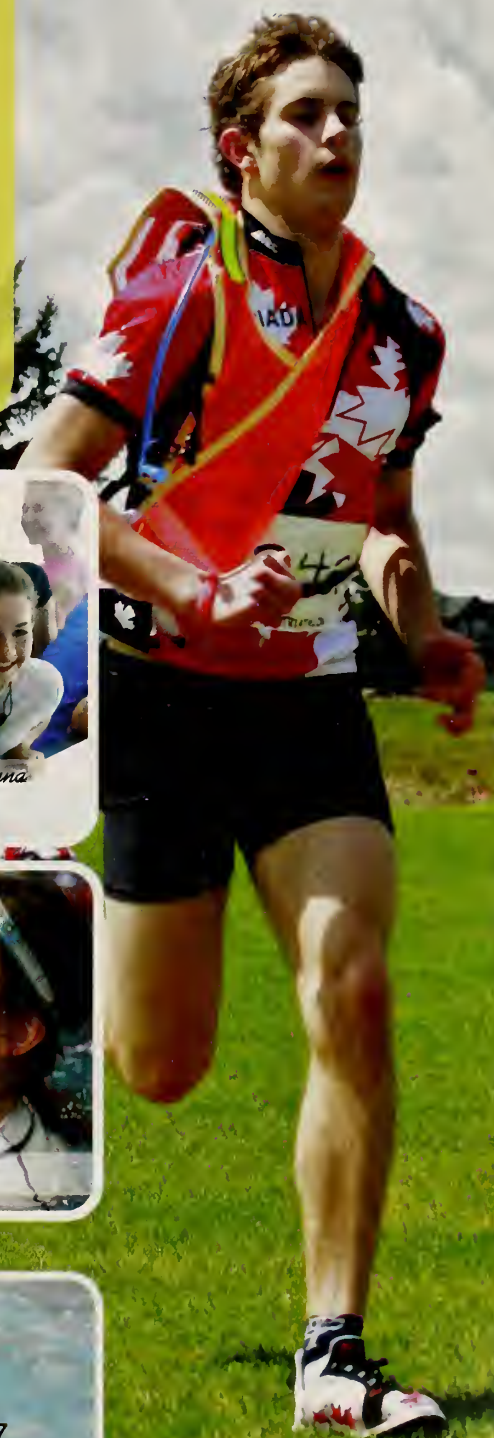

Students were proud of their personal runs, as well as their team times which ranged from 3 hours 10 minutes to 3 hours 45 minutes. Our top result came from the team made up of Hannah Wood '11, James Kirker '12, William Kennedy '11, and Sydney Flowerday '11 who placed fifth in the co-ed high school relay division and 37th overall out of over 900 relay teams!

Swim, Bike, Run

Grade 10 Triathlon

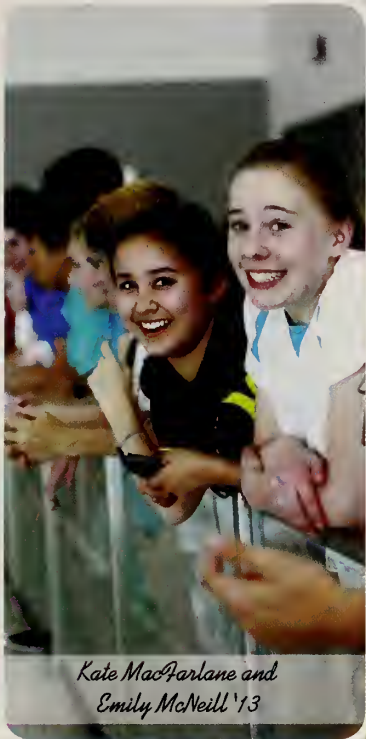

Mark Twain once said "Get a bicycle. You will not regret it, if you live". In the spirit of Twain's words, the Grade 10 students not only got on their bicycles for 8.5 km (all uphill!), but also ran 5.8 km and swam for 750 meters, in a competitive annual event that takes them all the way from Okotoks back to the STS campus. The day always features personal bests, students supporting one another and many athletes learning to overcome adversity in order to reach a goal.

The weather for this year's event was perfect and the event ran smoothly thanks to parent volunteers Carolyn Soules and Susan Mullie, who dedicated their time in order for the students to have a successful and safe race. In addition, many STS faculty members and older students take part and lend an hand. Great job, Grade 10s!

Why Spartans SUCCEED

Along the track
Sawera Dhaliwal,
Maria Golubev and
Kenzie Walker, all
'14, compete in
Canmore.

For a small school, our cross-country running program is exceptionally strong. Each year, our runners compete against schools that are much larger - and we win. Why? We give some credit to our amazing campus - not many schools in Canada have their very own cross-country path system! It's also the culture of fitness at STS - students are encouraged to be active every day. Combine athletic students with an incredible campus, and the results are clear - we rock!

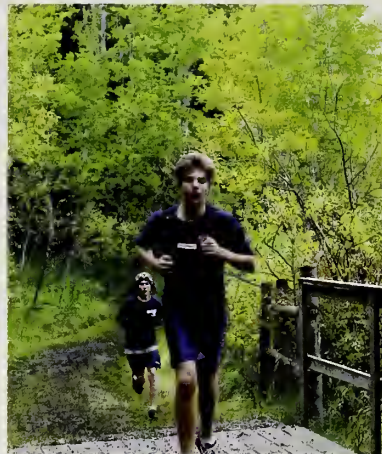

Pori Hude Keeps her focus while rounding a corner at the Senior High meet in Canmore, AB.

Kenzie Walker Sets an impressive pace at the zone competition in Canmore, AB

Nikki Wood In her first year of middle school, Nikki makes it all the way to zone competition, and places 11th out of 110 runners.

Ryan Stumpf and Maciean Clark '14

Cross-country running begins at home - right on campus. Each year in the middle school, morning classes are suspended and every student competes in a run to determine who will advance on to the divisional competition.

BORN To *Run*

STS Cross Country Running

It was an incredible fall season for our cross-country runners. This year, 22 Senior High runners represented our school at the provincial meet in Vermillion, Alberta. With very strong performances from many athletes, we clinched the 2A Provincial Championship Banner! Not to be outdone, 46 middle school students competed in the zone meet in Canmore, AB and easily captured the zone banner, the highest level of competition for middle school runners. In addition, many of our athletes were awarded with medals in their divisions at various levels of competition.

JV GIRLS BALANCE COMMITMENTS, PLACE SECOND IN THEIR LEAGUE

We had 14 players on our team: 4 returning Grade 11s and 10 Grade 10s. Along with our play in the Foothills League, we played in tournaments at Western Canada, Foothills Composite, Hanna, and finally the zone tournament at Three Hills School. The Jr Varsity team was a very busy group of girls. Apart from playing volleyball, they were soccer players, musicians, competitive skiers, and actors. When the girls were able to come together, they played a great team game. Unfortunately, the team ran out of steam at the zone tournament and did not come home with a medal. Despite this, the JV girls had a season full of learning new skills and developing their competitive edge!

GIRLS GO UNDEFEATED, TAKE PROVINCIAL BANNER, IN INCREDIBLE SEASON

"Individuals win games, teams win championships". This was their motto as the SV Women's Varsity volleyball team set a goal at the beginning of their season to bring home the Provincial Banner. With both dynamic and disciplined athletes, the girls not only won the 2A Provincial Meet in Three Hills, AB, but blazed through the season with a 60-1 record. Led by captains Annie Abbott '11, Courtney Davis '11 and Jessie Niles '11, the SV team was unstoppable, bringing home gold in every tournament they attended. More importantly, says coach Ms. Bartoshyk, was their exemplary sportsmanship and commitment to fair play. Demonstrating this, Jessie Niles was awarded a Sportsmanship Award at the provincial level. Despite injuries and setbacks, the girls remembered their motto and showed great teamwork in one of the most successful women's volleyball seasons in STS history.

MVAs SHOW COMMITMENT, SPORTSMANSHIP ON JV BASKETBALL TEAM

Mr Race, co-coach of the JV Boys, noted that "it was a true pleasure for Mr. Julian and I to coach this team. They boys were both athletic and skilled, and competed with a lot of enthusiasm and energy. Because of this, they were able to make a strong run deep into the league playoffs, ultimately coming up short of the gold medal, but playing some great games along the way. The most impressive qualities that this team possessed were their chemistry and integrity. Mr. Julian and I often remarked at how well these players supported one another and we enjoyed the great spirit they possessed. This year, two boys share the title of Most Valuable Athlete. These two players showed tremendous leadership and skill in their preparation and play. They were willing to work hard and committed to improving their game."

BUILDING YEAR FILLED WITH FUN, HARD WORK FOR JUNIOR VARSITY GIRLS *by Natasha Adams '13*

The Junior Varsity Girls' Basketball season of 2010-2011 is one that our team will never forget. Most of us had never played basketball outside of gym class. We lost games by 70 to 80 points (35 to 40 baskets) but our spirit was never broken. We played our best and cheered like crazy whenever one of us was fortunate enough to get a basket. During the season, we worked hard and our coach Ms. Egli worked hard with us.

We participated in three tournaments throughout the season in Canmore, Fort Macleod and STS. In the tournament hosted at our school, we didn't want to be beaten in our backyard. We won 62 to 30 and it was a great achievement. Almost everyone on our team got a point. It was hard at the end of the game to contain our excitement in courtesy to the other team. We cheered, shook hands and celebrated together afterwards. That game has been the only game we have won this season and it was a victory we will always remember. For the first time this season, we left the gym as winners!

DEDICATED SENIOR VARSITY TEAM FINISHES STRONG, LOOKS FORWARD TO NEXT SEASON

The Senior Boys Basketball team can be characterised by two key words: leadership and dedication. Our team had very strong senior leadership from Bryce Albery, Ian Whitestone, Muiyiwa Abolarin, Max Van Sant, and Zaman Sachedina. These players set the tone for all of our practices and games, refusing to settle for anything but the best from themselves and their teammates. This core group led us to some excellent performances in league games and tournaments, but what I am most impressed with is how they led us to play more as a team. I appreciate how dedicated these individuals were to the philosophy of team basketball, and their commitment was infectious to their teammates. We fell just short of qualifying for the zone tournament, but the quality of basketball that we played in our final games made our year a success. I am excited about the talented returning players that we have for next year's team, which will be led by Dan Mullie, Will Whitehead, and Vincent Van der Poel. It should be another great year for Spartan basketball!

SENIOR VARSITY GIRLS HAVE ANOTHER OUTSTANDING YEAR OF BASKETBALL

Team sports are about celebrating individual success together as a team.

"I always tell my team that the score doesn't matter; it is how they play the game that is important," says Jill Shipton, coach of the SV team. "I am extremely proud of this team, the way they conduct themselves on and off the court, and never give up. Persistence, persistence and determination, call it what you will, these are characteristics they will carry with them the rest of their lives. As the clock ticks down to the end of our season, the individual and team improvements are clearly visible. The girls put a smile on my face each time we are together. They are a true inspiration!"

Stories of Success

CLAUDIA BELANGER '14

After winning at both the school and the divisional level, Claudia Belanger '14 (middle) placed **1st in the 1500m run** and **1st in the 3000m run** at the zone competition in Calgary.

MICHAEL BRUHJELL '15

Michael advanced through early levels of competition to claim the **silver medal in the 800m** at the zone competition in Calgary.

TAYLOR DAVIS '12

Although only slightly more than 5 feet tall, Taylor has been a consistent high jumper since Grade 7. This year, she advanced to the zone competition, where she took the **bronze medal in high jump** against much taller competition.

Senior School

STS placed second overall in both the divisional and zone Track and Field meets in June 2011, despite getting off to a slow start due to inclement weather. Forty students competed in the divisional meet at Holy Trinity Academy in Okotoks on May 18, 2011, with 24 qualifying for the South Central Zone Track and Field Meet at Glenmore Park in Calgary on May 25. Eliza Manzer '13, Emily Johnson '11 and Lizzi Hanly '11 each qualified for provincial. Emily also tied for fifth place aggregate in the Senior Girls category. Also bringing home medals were third place finishers Laura Diment '12 in 80m hurdles and Victoria Clark '13 in the 3,000m run.

Middle School

Middle School students had some of their best results ever in Track and Field this year. After placing in the top two of their categories in the Foothills School Division meet on May 25, 2011 in Okotoks, 20 Middle School students advanced to South Central Zones at the Glenmore Athletic Park in Calgary on June 1, 2011. Medal winners included Taylor Davis '14 won bronze in high jump, Robyn Macdermott '16 won bronze in javelin, Claudia Belanger '14 won gold in the 1500m and the 3000m, Gillian Ceyhan placed 2nd behind Claudia in the 3000m, Graham Seasons '15 won bronze in the 3000m and Victoria Romanow placed 2nd in 100m. Our 800m runners did very well with Gillian Ceyhan '14 and Michael Bruhjell '15 placing second and Khalid Dhalla '14 third in their age categories.

Emily Johnson '11

Emily (shown during her race) brought home a gold medal in the 1500m category at the zone tournament. This win qualified Emily to represent STS at the provincial meet.

Tynan Stack '13

Tynan competed in the javelin event at the Senior High Zone Meet, placing fourth overall.

Victoria Romanow '15

An accomplished sprinter, Victoria easily won the 100m in the STS meet, beating the times of both the male and female runners in her grade. At zones, Victoria brought home the silver medal in the 100m and placed 5th overall in the 200m race.

Cole Pernitsky '15

Cole won the high jump competition at STS and placed in the top 2 at the divisional meet in Okotoks. This qualified him to compete at zones (shown here) where he placed 6th overall.

Graham Seasons '15

Despite competing in his race against a field of Grade 9 students, Graham (Grade 8) brought home the bronze medal in the 3000m run at the zone meet in Calgary.

Who are Elementary?

Terry Fox Run

From piggy bank pennies to hundreds of dollars, STS Elementary students pour their hearts into the Terry Fox Event. STS has consistently been one of Alberta's #1 school contributor to the Terry Fox Fundraiser. It is a tradition that the STS community takes seriously. Hundreds of students, teachers, families and alumni took part in the event.

I'm not a dreamer and I'm not saying that this will initiate any kind of definitive answer or cure to cancer, but I believe in miracles. I have to.

Even though I'm not running anymore, we still

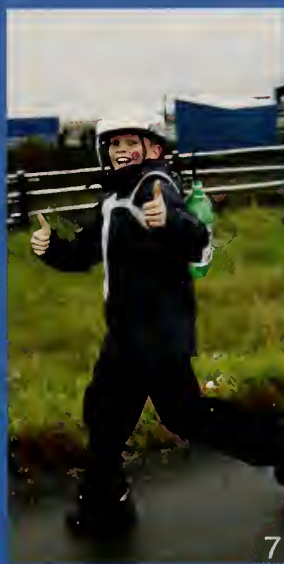

have to find a cure for cancer. Other people should go ahead and try to do their own thing now.

When I started this run, I said that if we all gave one dollar, we'd have \$22 million for cancer research.

and I don't care man, there's no reason that isn't possible. No reason!

STS Giving Back

Fostering a culture of giving at Strathcona Tweedsmuir

"Nothing feels as good as the self satisfaction that each of us experiences when we do something that makes a positive difference in someone else's life."

Judi Hadden

Giving is a cornerstone to elementary life at STS. Students are encouraged to find ways to help both local citizens & global communities. STS families consistently give generously to school led initiatives such as the Christmas Socks Campaign and Jump Rope for a Cause.

The Grade 3 students have established their own Philanthropy Project with Pa, a town in Burkina Faso, Africa, providing much needed classroom supplies. And, as part of Grade 6 exhibition, students found many ways to give including raising money for the Women's Shelter and collecting items for the Humane Society.

STS students fill socks with necessities for the homeless. They collected hundreds of items to help the less fortunate get through the winter, including warm hats, mitts, toiletries, and even some entertainment gift cards.

HOP is a noon hour club offered to students in grades 4, 5 and 6. Students are afforded opportunities to look at the world counter culturally so as to create an awareness of social injustices, promote inquiry into these issues and facilitate actions to mitigate these injustices both locally & globally; Awareness, Education and Action. Some of the recent issues and subsequent actions have been; Sanitation, Right to Play, Malaria prevention, and Fair Trade.

In addition to investigating global issues, the members of HOP are offered an opportunity to serve in the local community. Once a month the students serve over 700 clients at the Calgary Drop-in Center.

Grade 6 Class of 2017

and what a year it was!

My favorite part of grade six was having Ms Mayan as my teacher. I loved grade six camp because I got to know everyone.

I really liked the student teacher hockey game because we have all waited six years for it AND we almost won & did better than most teams.

There were so many great memories from my years in elementary, but the best thing was the teachers. They were really friendly and always willing to help me.

Quest Day

Grade Six Trivia

- ONE - The number of goals that the teachers lead by in the final score of the Student Teacher hockey game. It was a nail biter down to the very end!
- ONE HUNDRED AND SEVENTY SIX - The number of days of school for the Grade 6 Class
- MARGOT MCMASTER - The Emmy award winning producer, director and documentary film maker who coached the class on their Exhibition Documentaries
- FORTY FOUR - The number of students graduating from STS elementary in the 2010/2011 academic school year
- MILLION DOLLAR BILL - The song that the Sixes danced to at the hip hop assembly.

ANOTHER MILESTONE

2011

was a challenging year for the Grade Six class. They were stellar role models for the rest of the elementary students, test drove the concept of Exhibition Documentaries to great success, grueled through a week of provincial exams and by the end of the year were desperately in need of some serious down time.

On June 17th, students, parents, and teachers were treated to a graduation party that definitely gave them the opportunity to let loose and have a good time. Immediately after school, the excited Grade Sixers boarded a bus and arrived at the Welykochy Ranch where they were personally shuttled to the party site. After changing into their "play" clothes, they participated in several team activities.

Everyone braved the chilly water and took a run at the slip and slide. It was FREEZING, but so much fun. Once dried off they played volleyball and finally went on to kick the can with Mr. Mack.

celebrate

Dinner was held in a spacious festival tent and was absolutely delicious. Dessert followed with fruit and individualized cupcakes that were truly works of art. After dessert was devoured a magician delighted the sixes with his feats of wonder and amazement.

Once everyone had eaten to their hearts content, the DJ took over and kept the dance floor HOPPING the whole night long. Even the parents got in on the action!

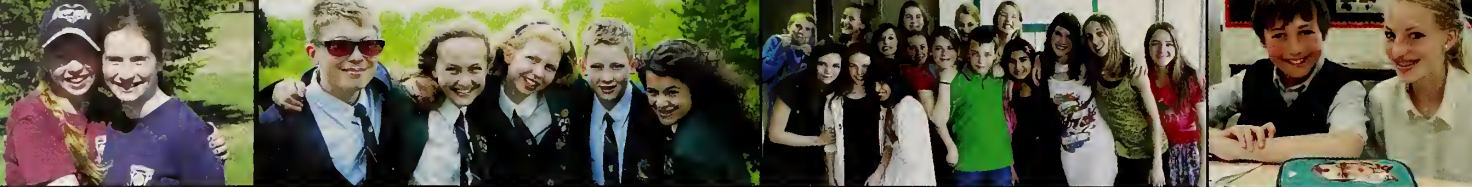

Thank you to the parents who made the night such a resounding success. Congratulations to the wonderful Grade six students who have made the elementary years at STS a special time to cherish always.

Grade Ten

Grade 10 is the year where you can say that you finally made it to high school! Unfortunately, this also means smaller lockers, and being back at the bottom of the totem pole. Grade 10 is the year where you get BLT on Friday afternoons and more option in the courses that you take. Grade 10s can take part in Outdoor Education, learn about Sports Medicine, or go on an international exchange as part of the Round Square program. After three years with the same group of people, there are a bunch of new faces in the crowd. Also, we have classes with lots of different people - not just the same homeroom every day, all day! The best part about being in high school might be the trips that we get to take - from Round Square service trips and conference, to trips for history, languages, and or Model United Nations, we have the opportunity to develop our skills in so many new ways.

Grade Eleven

Grade 11 is one step away from being done. It's the year when marks finally start to 'count' in terms of getting into the university of our choice. Grade 11 is also the year that our IB courses begin and we are excited about the challenge, but amazed at the amount of work that it requires. We have more freedom, but also more responsibilities. We are taking on leads in the musicals, playing for the senior varsity sports teams and considering running for prefect next fall. We can drive to school, but it also means that we have to drive our younger siblings! We get to spend some time this year volunteering in our communities with the Agencies program. Grade 11 has all the fun, but less of the stress that Grade 12 brings. Next year, we'll be the graduates!

Man is the supreme Talisman. Lack of a proper education hath, however, deprived him of that which he doth inherently possess. Through a word proceeding out of the mouth of God he was called into being; by one word more he was guided to recognize the Source of his education; by yet another word his station and destiny were safeguarded. The Great Being saith: Regard man as a mine rich in gems of inestimable value. Education can, alone, cause it to reveal its treasures, and enable mankind to benefit there from— Baha'u'llah

LIFERS 1999-2011

Each year, a small group of students graduate from Grade 12 with something in common: they have spent all 12 years of their education here at STS. In 2011, 10 of our graduates get to call themselves 'lifers'. Take a look back at their yearbooks from Grade 1, and see how much they've changed!

Connor DiStefano

What do you want to be when you grow up? A lawyer like my dad and work at rolling mix concrete.

Kirstie Lush

What was your favorite elementary year? Grade 2. I would have stayed in grade 2 forever if i could have, haha.

Courtney Davis

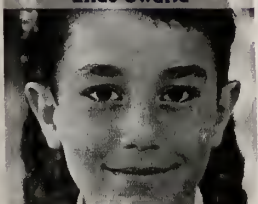

What do you like most about grade 1?
Phys. Ed., recess and lunch.

Madison MacDonald

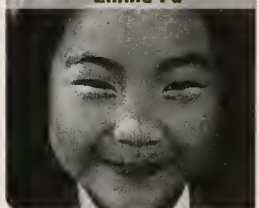

Dear Madison: the world is open for you - go out - do your best and we will always be proud of you. Nana&Papa

Elias Swaita

What do you want to be when you grow up?
I would like to be a fire fighter man.

Emma Fu

Now that you're in grade 2, any words of wisdom for new grade ones? Have fun and remember to keep smiling!

Emma Gartorth-Bles

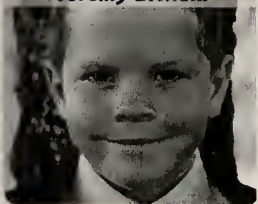

What makes Emma special to us? She chases me at recess and she always has a smile on her face.

Chad Plesa-Naden

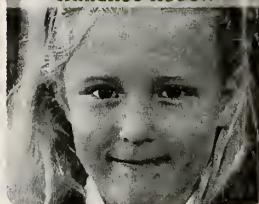

What do you want to be when you grow up?
A normal person!

Jeremy Brittain

What do you like most about grade 1?
Everything. I like everything about school.

Annalise Abbott

What did you think about the first day of school? It looked really different. It looked really new. I was scared.

Congratulations on 12 Years!

behind the book:

[the yearbook team]

You may be wondering who these extremely good looking people are. Other than their good looks, the 2010/2011 Yearbook Team Members are dedicated, committed and hardworking individuals, spending almost every Friday morning working hard to create this yearbook in your hands. We would like to thank our senior editor Ms Johnson and assisting editor Ms Westers, for guiding and inspiring us on our journey of becoming designers, publishers, and photographers.

[special thanks]

The yearbook team would like to thank the following individuals for their contribution to the 2010-2011 edition of Paidia

Shelly Anderson and Jane Lochrie are two STS parents who designed all 46 of the elementary yearbook pages. Their tireless effort ensured that every student in the elementary had a chance to shine, and that the year was captured as completely as possible in such a small amount of space.

Mr. Dale Roth is an STS faculty member who we thank for his outstanding work as our athletics photographer.

Thank you to **Chippenfeld Photography** and **Ted Dawson Photography** for allowing us to use your images

Finally, thank you to all STS parents, faculty, staff and students who contributed their photos, reflections and memories to this book. Thank you for helping to make your yearbook so comprehensive. We're back again in 2011-2012!

NO PHONE ZONE

Oprah's No Phone Zone Pledge

I pledge to make my car a No Phone Zone. Beginning right now I will do my part to help put an end to distracted driving by keeping my phone out of my car.

..... I will not text while I am driving.

..... I will not text while driving and will use my hands-free calling.

..... I will not speak on the phone while I am driving.

..... I will not text or use my phone while I am driving. If I need to use my phone, I will pull over to the side of the road.

..... I will ask other drivers I know to do their part to end distracted driving. I pledge to make a difference.

Polar Bears Threatened

Northern Manitoba's polar bear population is rapidly declining according to researchers from the University of Alberta. The Western Hudson Bay subpopulation, estimated at 935 animals in 2004, is expected to decline over the next 25 years to the point where there may not be enough bears to sustain a breeding population. Due to climate change, the Hudson Bay will soon reach a tipping point where 20 to 30 per cent of Manitoba's polar bears will begin dying off each year. Manitoba declared polar bears a threatened species in 2008.

From popped collars to Top Siders, prep style endures. True Prep shows a new generation how it's done and what it means.

Sequins

Shiny, sparkly sequins become a major fashion trend when Zoe Kravitz and runway models are spotted wearing them on hats, dresses and tops.

Hats

Self-expression is always in fashion and the right hat makes it easy to add panache (and hide a bad hair day). All you need is a cute fedora or a jaunty newsboy cap.

Military Jacket

There's nothing olive drab about this trend. Military jackets are snappy, sleek and chic — a far cry from the oversized Army surplus look of yesteryear.

Energy Drinks

Energy drinks are the beverage of choice among sleep-deprived students, despite concerns that they contain unhealthy levels of sugar and caffeine.

Pillow Pets

Now it's a stuffed animal. And now it's a pillow. Puffy, popular PillowPets™ may be the snuggliest, softest trend of the year.

Long, flowing scarves become a year-round trend. This must-have accessory is the easiest way to add colour and interest to casual outfits.

Monkey Slippers

It's a toy. It's a slipper. It's a fun fashion trend. Sock monkey slippers are popular in college dorms and at slumber parties.

Long Necklaces

Long, statement necklaces are trend-right. Gossip girls look luxe with Tiffany-style trinkets. Layered, chunky, vintage baubles create an alt-rock, art school vibe.

Over the Knee Boots

Boots go to great lengths. Over-the-knee styles are seen everywhere from runways to red carpets. Trendsetters wear them with short skirts or slim leggings.
